Thanks Dan. Will keep trying for an extension but not sure if it will be granted.
Sent me what you have thus far – understand still in progress.

The same folks here are cranking on Grignard and some other stuff with short deadlines. So we are juggling. I can certainly share what we have – but recognize it's still a little work in progress - especially the response to that one recommendation.

Hi Dan

How is this coming along?

I tried to make a play to get an extension but have not heard back – it is up to Alex to request but like most other things she wants to close these out.

Mike, Dan and Marietta,

For your consideration and comment, attached is the updated OCSPP response to OIG's draft report on the 24c SLN program based on our discussion this afternoon. Please let me know if you have any immediate questions.

Thanks,
Tawanda
